CONNECTION 2024

The joint CIP/APPI National Conference held in Edmonton July 9-11, 2024 was a huge success! Congratulations to CIP and APPI whose hard work was well received by the 778 in person attendees, which included some international delegates from South Australia, Dublin and the United States, and the 150 virtual attendees. There were 234 speakers which included four Keynote Speakers over the three days, including Edmonton's own Don Iveson who was Edmonton's 35th mayor from 2013 to 2021. There were 38 sessions, 17 learning tours and 9 workshops which provided much variety and diversity for all participants.

Thank you to all the partners and sponsors who made CONNECTION 2024 the success it was!
